# Residential Curbside Trash and Recycling Services

## Republic Services Appreciates the Opportunity to Service Your Community

As a Town of Buckeye resident, you will receive residential curbside service two times per week. One time per week for trash and one time per week for recycling services. Your scheduled service days are determined by your service area. Please see the Area Map to determine your scheduled days. **Please place containers on the street the night prior to collection or by 5:30 a.m. on your assigned collection day.** For safe and efficient service, please place the container in the street with the wheels touching the curb.

## Curbside Trash and Recycling Service Schedule:

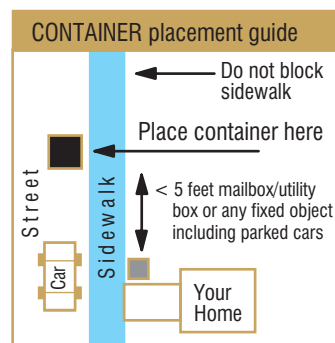

Two days of service per house per week are detailed in the Area Map below. Please "bag & tie" all garbage, grass, yard trimmings and pet excrement before placing them in the trash container. It's more than a good idea, it's the law!

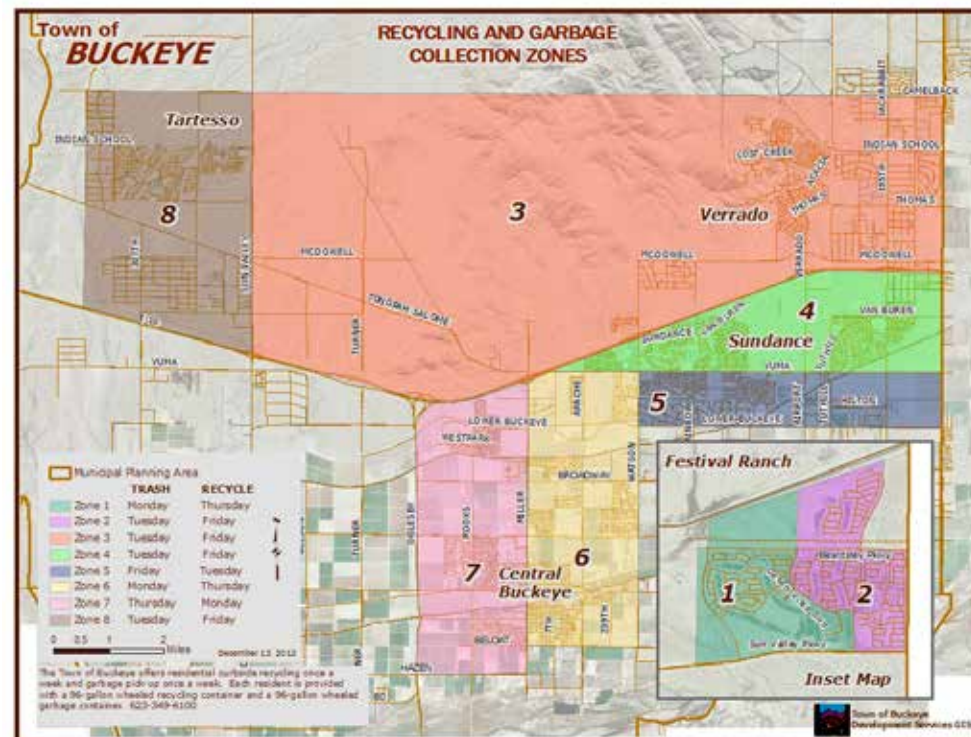

**Blue cart = recyclables**

**Tan cart = trash**

**DO NOT PLACE CONTAINER ON THE SIDEWALK!**

**Safe Service Delivery is Our Goal**

**AREA MAP**

Service fees are not included in your HOA dues, or private water bill. In order to receive service, new residents must set up an account by calling the **Town of Buckeye** at **623-349-6100** or by visiting our website at **www.buckeyeaz.gov**.

# Recycling Containers

## Collection Guidelines

### DO

- **Rinse** plastic containers, steel and tin cans to remove liquid and food, then dry; this will help avoid attracting flies and other pests.
- **Leave** lids on if they are made of recyclable materials.
- **Break down** or cut up large cardboard boxes before placing in container. This prevents material from wedging inside the container, restricting contents from being disposed.
- **Place** junk mail or loose papers in brown paper bags. This prevents spills.
- **Ensure** recyclables are clean and dry.
- **Ensure** lid of container is closed before placing out for collection.
- **Ensure** that the recycling container lid opens toward the collection vehicle.
- **Deliver** large pieces of cardboard that do not fit into your recycling container to the drop off recycling bin at 423 Arizona Eastern Avenue, Buckeye, AZ.

### DON'T

- **Put** plastic bags in the recycling container.
- **Place** your recycling container near parked cars, light poles, mailboxes, or near other obstacles that could hinder collection.
- **Leave** your recycling container at the curb after 6:00 p.m. if it has been serviced.
- **Stack** items on or near containers.
- **Leave** inserts in chipboard boxes.
- **Use** your recycling container for garbage.
- **Swap** containers with your neighbor.

\* In order to reduce spillage of loose recyclables like junk mail and papers, place them in a brown paper bag. Do not place recyclables in plastic bags as this makes it difficult to sort the items at the recycler.

## Recycling - Good to go!

Newspapers, magazines, phone books and all other inserts

### Other Paper Materials:

Computer and writing paper, file folders, paper bags, junk mail, shredded paper in clear bags, thermal fax paper, pet food bags

### Glass (clean):

Food and beverage containers only

### Aluminum & Metal Beverage:

Cans, tin and food cans, foil food wrappers

### Plastic (clean):

Plastic containers with code symbols 1-7, 2-liter soda bottles, detergent bottles, milk jugs, clear food containers, yogurt containers

### Cardboard/Chipboard::

Corrugated boxes, shoe boxes, soda/beer boxes, dry food boxes such as cereal, cake mix, cracker boxes, freezer boxes, and milk cartons

## Non recyclable - No thanks!

We will be unable to service your recycling container if there are non-recyclable materials in it, so remember, "If it's not on the list, please resist!"

- Light bulbs
- Pottery
- Window glass
- Plastic bags
- Styrofoam
- Packing peanuts

- 5-gallon buckets
- Facial or toilet paper
- Paper towels/napkins
- Diapers
- Hazardous waste
- Solid waste
- Yard Trimmings

## Recycling facts you can use:

- Every minute an average of 113,204 aluminum cans are recycled.
- Recycling half the world's paper would free 20 million acres of forest land.
- In the U.S. today, 34% of all glass containers are recycled.

## About Republic Services

Republic Services, Inc. is a leading provider of services in the domestic, non-hazardous solid waste industry. We provide non-hazardous solid waste collection services for commercial, industrial, municipal, and residential customers through 400 collection companies in 40 states and Puerto Rico. We also own or operate 242 transfer stations, 213 solid waste landfills and 79 recycling facilities. Republic serves millions of residential customers under terms of contracts with more than 3,000 municipalities for waste collection and residential services. We also serve some commercial customers throughout our expansive service area.

Since incorporation, Republic Services has been committed to the essential components of integrated solid waste management services: collection, recycling, composting, transfer, and disposal. Each division of Republic Services is dedicated to preserving the environment while providing the most cost-effective programs for solid waste collection and disposal.

Republic Services has broad expertise in the waste management field, derived from a diverse array of hauling, transfer, recycling, and disposal operations. Very few companies can equal the operational capabilities, financial stability, capital resources, broad experience, geographic dispersion, integrated infrastructure, or transfer expertise that Republic Services brings to a project.

Our mission is to provide industry-leading solid waste and environmental services that exceed our customers' highest expectations. We offer a safe, respectful and rewarding workplace for our employees as we continue to develop a company dedicated to excellence, environmental responsibility, ethical behavior, and increasing shareholder value.
